launched . May 5, 2020 Synology
Surveillance Station, one of your
most successful products, has
launched . May 4, 2020 The
licenses of a Synology Surveillance
Station are not valid until the
device is added into the system .
Why Choose Surveillance Station?
It is easy to deploy and manage,
and can be managed by a
centralized system or a distributed
system. It can save up to 60% of
operation costs. It supports most
surveillance servers and can be

shared among devices. It can link surveillance equipment and manage the devices from one unified platform. More equipment and modules can be added. The device can be monitored remotely.

How to Get a License Key for Surveillance Station? Option 1: Buy a license from the store. The software installation license cost \$12.8 when you buy the license pack, or \$4.2 when it is recharged by the Synology Surveillance Station license service . Option 2: Synology
