Why It's Not More Important to Disrupt HR Systems than Other Sectors - soneca ===== curiousgal An excel report to be sent to the boss every time the HR system is down? I guess that's more important than a payment gateway, for example. ~~~ ecesena It's not a single report, it's a stream of reports (sent maybe every hour or so) that show why it's down and what's the estimated impact. ----- Thorrez HR is so much more important than other industries. Why isn't HR at the top of the list? Even better it would be for other parts of the company to be at the top of the list. That's what makes things work Differences in DNA amplification and detection in coke oven particulate matter. The amount of organic pollutants present in the bottom ash of coke ovens, which is also a product of this industry, is characterized by the content in polycyclic aromatic hydrocarbons (PAHs). An increase in the content of PAHs and sulphur can be observed with the aging of the coke oven, which is reflected 3e33713323
